Subject: CERCLE Meeting Follow Up
Attachments: CERCLE Powerpoint Presentation July 7th and 8th.pdf; CERCLE Senior Scientist Community Research Fact Sheet (Final Draft).pdf

Dear Environmental Justice leaders,

We want to thank you for the time you have taken to meet with EPA's Office of Research and Development (ORD) and Region 2 to discuss the development of a new Community-Engaged Research Collaborative for Learning and Excellence (CERCLE) at the EPA Edison Environmental Center (EEC) located in Edison, New Jersey. As a follow up to our various meetings, we wanted to share the powerpoint presentation and our draft proposed job description for the future leader of this integral initiative. We would greatly value getting any additional feedback by **Tuesday, July 19th**.

As we discussed, if you think there are other EJ or community groups we should contact for their feedback, please let us know.

If you have any questions, please don't hesitate to contact either of us, our internal co-leads, Anahita Williamson (Region 2) and Gregory Sayles (ORD), or to Olivia Glenn and Maureen Gwinn.

Thanks again for your insights, and we look forward to all we will accomplish together.

Sincerely,

Chris and Lisa
